AT WILLIAM LEVICK

WE AIM TO:

- · Provide a welcoming, happy, safe and stimulating environment for all.
- · Have open and effective communication to promote positive working relationships with our parents and carers to best support children in their learning and development.
- · Provide relevant and engaging learning opportunities which develop and embed key skills through a broad and balanced curriculum.
- · Encourage children to take responsibility for their learning by providing opportunities for independent thinking, decision making, collaborative working and appropriate risk taking.
- · Ensure each child has high aspirations and positive attitudes toward themselves, others and their learning, in order to achieve personal success.
- · Equip all children with the knowledge, understanding and skills to become respectful and caring citizens contributing positively to the local, national and global community.

CORE VALUES

OFSTED INSPECTION

June 2024:

"Pupils, staff, and parents and carers all play their part in 'Team Levick'. Parents praise how well staff care for and nurture their children. As one parent typically explained, 'My child is always happy and excited to go to school and cannot wait to find out what they are learning next.'

"Pupils try to uphold the school's 'five star' values. They know that they are expected to work hard and do their best. They are keen to engage and eager to learn. Pupils appreciate that, while they may not be able to do something 'yet', if they keep trying, they will be successful."

"Pupils play together happily and enjoy each other's company. The oldest pupils buddy up with the youngest ones to look after them."

"Staff make sure that every pupil feels supported, included and accepted. "

"Pupils respond positively to the school's behaviour expectations. They conduct themselves well and feel safe. They use their manners routinely and speak respectfully to others"

"Teachers use their strong subject knowledge to present new information to pupils clearly. They ask questions that encourage pupils to think more deeply about their answers and explore alternatives. "

"The early years provision offers children a rich learning environment. "

William Levick

OUR SCHOOL CURRICULUM

At William Levick, we have designed our own curriculum so it meets the needs of children in our school. Learning builds on from previous learning, in each topic and each year, which is based on the National Curriculum for Key Stage 1 and Key Stage 2 as well as the Early Years Foundation Stage Curriculum in the children's first year at school.

Our child- led curriculum is broad and balanced and enriched by a busy schedule of trips and visits. We strive to make all learning in our school interesting, fun and engaging. Our overall aim is to support our children to become independent learners: confident and ready as they take their next steps into their secondary education and on into the future and the wider world.

BEFORE AND AFTER SCHOOL CLUBS

On our school site, we also have William Levick Kids Club, an independently run before and after school provision. They provide high quality care and support for children from 7:30am until the school day starts and from the end of the school day until 6pm in the evening

They provide a range of activities, both learning and play based, as well as breakfast options in the morning and snacks in the after school sessions.

William Levick Kids Club us run by qualified professionals who all have a current DBS check and have first aid training.

We also offer a range of after school clubs which are run independently. These inlcude fencing, art, dance, yoga and netball.

STAY CONNECTED

Please visit our school webpage for more information, especially in the parent and carer section.

Alternatively, please contact the school office if you have any questions at all– we are here to help!
